Sir,

I have the honor to forward herewith the records relating to the revision of assessment in Belakavadi Municipality during the year 41-42 and to state as follows -

As per orders issued from this office, the Assessing officer reported himself for duty in Belakavadi Municipality on 27-8-41 to revise the assessment of the Municipality and completed his work on 30-11-41 The Municipal Council after hearing 348 objections fixed the final assessment on huldings by 15-1-42 , as there were objections regarding the assessment on vacant sites the Municipal Council postponed the enquiry and sought for the sanction of the Deputy Commissioner in his report on 28-7-42 to give effect to the revised assessment from 1-7-42 My predecessor in office Mr C I P Ranajodhasingh, passed orders permitting the Municipal Council to give effect to the revised assessment from 1-7-42, as the demand for the second half year of 41-42 had already been booked

The Assistant Comptroller who audited the account of the Municipality has objected that the revised assessment should have been given effect to from the second half year of 41-42 and has enquired why the loss of Rs 42 should not be surcharged

The facts were explained to the Assistant Comptroller and he was requested to intimate as to whether in the circumstances explained above, the objection could be not be waived In reply he has stated that the objection could only be waived by Government

As the demand for the second half year of 41-42 had already been booked and as the revised assessment could not be given effect to by the Municipal Council without writing up fresh khatas, I recommend that the action taken by the Municipal Council in giving effect to the revised assessment from 1-7-42 may kindly be ratified by Government and the objection raised by the Assistant Comptroller waived

The connected records may kindly be returned when no longer required

I have the honor to be,
Sir,
